Description

Elegant oil portrait on canvas, housed in a hand-carved and gilded wooden frame. The portrait depicts a noblewoman with her dark hair tied back and a serene, three-quarter-length face. Her bright orange and red clothes, embellished with lace and brooches, complete the painting. The back of the painting also features an illegible signature and a date (1730-1813), likely attributed to the artist. This is a tasteful and classy painting, capable of adding a touch of refinement to any setting. Venetian (northern Italy) manufacture, second half of the 18th century. Dimensions: H x W x D overall 93 x 79 x 5cm; H x W work alone 77 x 64cm
