

Sanctuary Lantern, Late 19th Century

165 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Height : 16,5 cm

Description

An ornate brass sanctuary lantern with four glass beads cut to resemble gemstones, and a red glass receptacle for a candle. Late 19th century. Height 16.5 cm. A rare liturgical object in good overall condition. The metal has a patina on the surface from age. The glass appears to be slightly later, although it perfectly matches the diameter of the lantern's frame.
