Description

Perhaps the 1908 painting titled "The Two Twins," exhibited at the Mulhouse Salon, No. 352. The painter very successfully managed to convey, in a calm and intimate atmosphere, the concentration of the young women on their work and the precision it requires through a remarkable work on the hands; one can distinguish the thimble (in silver?) on one of them. René Paul Schutzenberger, born in Mulhouse on July 29, 1860, and died in Paris on December 31, 1916, was a French painter. Wikipedia:
