Description

Original lamp in the shape of an open book, with a graphic yellow and black design typical of the 1980s. The design is inspired by a mock noir novel ("Cordon Noir," Raymond Chandler), with a deliberate nod to the world of Raymond Chandler, humorously reimagined. The plastic structure features diffusing panels that provide a soft and warm light when lit. A decorative and narrative object, perfect for a library or vintage interior. Condition: Good condition, plastic not yellowed, beautiful original color. Some minor marks. Functionality: OK (switch on cord) For any questions: +33778337598
