Description

COD 11527 Pair of Italian wall lamps from the 1970s. Italian-made items of beautiful lines and taste, ideal for antique dealers and interior decorators. Half-moon colored glass wall lamps complete with metal wall brackets (see photo). Each bracket has a light bulb slot. The electrical system is missing and requires electrification (see photo).These items are part of a set of two pairs of wall lamps, sold separately (request the bulk price, if available). Fabulously decorative and elegant, these items can easily be placed in different areas of the home given their excellent proportions. In good condition.As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
