Description

? Baccarat Crystal Liqueur Set - Decanter and Glasses ? A superb Baccarat crystal liqueur set, comprising a decanter and matching glasses. An elegant and timeless piece, emblematic of the Baccarat craftsmanship, renowned for the purity and brilliance of its crystal. The decanter, with its slender and perfectly balanced lines, makes a discreet yet refined statement. The crystal, exceptionally clear, captures light with precision and reveals the exquisite craftsmanship of the cutting and finishing. The delicate and well-proportioned glasses offer a pleasant grip and a beautiful lightness. Their size is ideal for serving liqueurs, and their simple design highlights the quality of the crystal. ? The set is distinguished by its harmony and coherence. Each element complements the others in a restrained,

understated aesthetic, where the quality of the material alone creates elegance. Light passes through the crystal with clarity, creating bright, clear reflections characteristic of Baccarat pieces. On a table or in a bar cabinet, the set immediately catches the eye without ever being imposing. The condition is very good, with beautiful crystal clarity. Note a slight chip on the decanter stopper, visible in the photo, discreet and without affecting the use or overall aesthetic of the set.

Ideal for: - an elegant table setting or after-dinner drinks service - a refined, classic or contemporary interior - a display case or bar cabinet. A beautiful, high-quality set, both functional and decorative, that transcends eras with grace.

Dimensions: Decanter: diameter 11 cm - height 24 cm; Glasses: diameter 4.5 cm - height 8 cm.
