### Description

Charles Pollock (1930-2013) Swivel office chair with armrests, "Executive Chair" model, white outer shell with white tufted leather upholstery, 5-star base on casters. Manufactured by Knoll International, circa 1970. Stamped under the seat. A few fine scratches are visible on the chrome on either side of the backrest, consistently located at armrest height, corresponding to normal wear and tear (see photos). The leather, cleaned and conditioned with colorless balm, remains supple and displays a light, even patina of use, without any alteration. The chair is comfortable, stable, and rolls smoothly. H 85 cm x W 64 cm x D 66 cm x Seat H 47 cm. This model, widely used in high-end office environments, is renowned for its sturdiness and comfort under prolonged use.
