Description

Solid oak and bronze casket signed Alphonse Giroux. This superb solid oak casket, richly adorned with decorative bronze mounts, is signed by Alphonse Giroux, the renowned 19th-century Parisian firm specializing in objets d'art and luxury goods. The casket boasts an elegant, flowing silhouette inspired by the Louis XV style, accentuated by an abundance of finely chiseled bronze: vegetal motifs, garlands, cherubs, and rocaille decoration. The lid is particularly remarkable for its sculpted relief and the quality of its mount, testifying to high-level cabinetmaking and bronze work. Originally intended to hold jewelry, documents, or precious objects, it now stands as a striking decorative collector's piece.
