

Yellow Gold Ring With A 4.80 Carat Oval-cut Aquamarine

950 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

An elegant ring crafted in yellow gold, its warm hue highlighting the crystalline freshness of the central stone. It features an oval-cut aquamarine of approximately 4.80 carats, with delicate blue undertones and luminous transparency, capturing the light with softness and brilliance. The combination of yellow gold and aquamarine lends this creation a subtle harmony, both refined and timeless.
