Description

Charming oil painting on metal panel depicting a young woman in 18th-century costume interacting with a parrot just released from its cage, with a child figure in the background. The composition reflects a romantic taste typical of the mid-19th century, inspired by 18th-century scenes. Fine attention is given to textile rendering, light effects, and decorative details such as the cage and the bird. The metal support enhances luminosity and contributes to the preservation of the colors. Presented in an ornate giltwood frame of strong decorative impact. Period: mid-19th century Technique: oil on metal Condition: good overall condition Painting size: 28.7 x 35.7 cm Frame size: 42.5 x 49.5 cm Attractive decorative piece, suitable for classic interiors.
