Description

France, 1950s, a very beautiful pair of standing elephants in black ebony and bone. The animals have a proud bearing, and the design is typical of creations from this period. They are in good condition, with only slight, normal wear (cracks on the elephants' backs) that do not detract from their aesthetic appeal. Dimensions: Length 14 x Depth 7.5 x Height 11.5 cm. The scale reference in the last photograph is a small lighter from a well-known brand. We take special care with our packaging, using optimal protection. Shipping includes insurance.
