Description

Still life in watercolor by André Vaillant, a painter from Le Havre. André Vaillant is a French painter associated with the Le Havre art scene, active since the 1970s and 80s. He is particularly known for creating the second Dell'Arte bus in 1992, an artwork integrated into Le Havre's public transport network to make art accessible to the public. He has exhibited in several cities and contributed to the local cultural scene.
