

Painting Of A Snowy Mountain Landscape, Mid-20th Century

520 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting on wood

Length : 54 cm

Width : 72 cm

Description

Snowscape, painted on hardboard. The unsigned artist captured the unique climatic variations of the high mountains. The peaks are shrouded in mist and storm, while the valleys remain calm. Painted in the moment, the artist allowed the energy of the gesture to guide the form, alternating broad brushstrokes with small, delicate touches in a vibrant and colorful palette. This painting, full of contrasts and pervaded by mist, borders on figurative art. Unsigned.
