# Pair Of Oval Portraits Of Noblewomen

5 000 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

## Description

A pair of oval oil paintings on canvas depicting two young noblewomen, with contemporary gilded frames, 18th century.The figures are half-length portraits in keeping with the style of 18th-century European aristocratic portraiture, with particular attention to the rendering of faces, complexions, and clothing.In the first portrait, the lady is depicted with an elaborate updo adorned with jewels, wearing a dress with a lace-trimmed neckline and a dark cloak draped over her shoulders. In the second painting, the young figure is depicted wearing a light-colored dress enriched with decorations and a red cloak, delicately holding a small bouquet of flowers, a symbol of grace and refinement.Dimensions: height 86 cm
