Description

Elegant pair of oil lamps, with ceramic bodies and lost-wax, gilded bronze parts. The lamps consist of a black-glazed ceramic bulb-shaped body with gold-painted floral and geometric decorations. The bronze base and handles also feature decorations, adding further elegance. Originally, the lamps burned oil, but both have been electrified. This pair of lamps exudes great taste and refinement, adding a touch of class to any space. French manufacture from the Napoleon III period, around the second half of the 19th century. Dimensions: H x W x D 47 x 19 x 16cm
