Description

We present this elegant, small antique Italian chest of drawers dating back to the second half of the 18th century, the Louis XVI period. An extremely refined piece. Crafted from fine solid walnut, its linearity perfectly reflects the taste of the era, which sought perfection through refined and understated elegance, often without excessive decoration. The long, tapered legs create a unique visual accent. A subtle geometric decoration emphasizes the essential design and accentuates its linear forms. Functionally, it features two convenient drawers. You can certainly consider placing this exquisite small chest of drawers in any room of the house, the living room, entryway, or bedroom using it as a spacious bedside table. Wherever you choose to place it, it will become a focal point, admired and envied by all your
