

## 19th C Folk Art Chairs

780 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Width : 42

Height : 99,5

Depth : 32

### Description

Pair of 19th century French folk art woman chairs, these chairs were made as a gift when someone was leaving the parents house, because of marriage or to live alone. This pair is very rare to find because it depicts two women, probably sisters. These chairs were a typical tradition in the Alsace region. Made of oakwood with nice primitive details and patina.
