

Antique Yellow Gold Chain With Openwork Patterns

1 300 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Antique chain made of small, shuttle-shaped links, each openwork with a small trefoil motif. Each link is separated from the next by three gold rings. The clasp is a spring ring. Period: 20th century. Main material: 18k yellow gold (750/1000), eagle's head hallmark. Proportions: Length: approximately 46.5 cm, width: approximately 4.2 mm, thickness: approximately 2.3 mm. Net weight: approximately 4.8 g. Authentic antique jewelry - French work from the early 20th century. Our opinion: An antique yellow gold necklace that is easy to wear alone or could complement an antique pendant.
