

Antique Pocket Lantern With A Mechanism.

120 EUR

Period : 20th century

Condition : Bon état

Material : Chromium

Length : 9 cm.

Width : 5 cm.

Height : 2,2 cm.

Description

Chrome-plated metal, leather (inscribed: Lantern & Lighter), and mica leaves. On the back, a compartment opens to reveal the internal striker and a space for storing matches and candles. A side push button opens the main face, releasing a three-panel hinged metal mechanism, each panel lined with a mica leaf, and a metal arm forming a candle holder. Early 20th century. Good overall condition. Minor scratches from use. Length: 9 cm. Width: 5 cm. Height: 2.2 cm.
