

## Pair Of Gilt Brass Candlesticks, Empire Style, Finely Chiseled Decoration

400 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Height : 26

### Description

These elegant candlesticks rest on a circular base adorned with guilloché patterns, extending into a slender column decorated with geometric friezes and beaded motifs. The candle holder, simple and balanced, perfectly embodies the classic aesthetic of the Empire style. The chasing is clean and regular, highlighting the warm-toned gilding. The whole piece presents a beautiful harmony of proportions and a refined decorative effect.

Height: 26 cm.
