

Antique Vittoz Clock Bronze Paris XIX Century

2 100 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Bronze

Width : 20

Height : 47

Depth : 21

Description

Table clock in bronze and white marble. On an octagonal base in white marble rests a fragment of a column decorated with grape vines that frame an enameled metal dial with Roman numeral hours and Arabic numeral minutes. In the center of the dial is the manufacturer's trademark. The clock is surmounted by an allegorical scene. Mechanism marked Nicolas Cailly.
