### Description

Edouard CAZAUX (1889-1974) and the Compiègne Crystal Factory. A buttressed vase in smooth and granular pressed molded glass, decorated with a nude woman with a bow on one side and a gazelle and doves on the other. Signed with a needle: Cazaux and Gueron. Art Deco period, circa 1930. Height: 24 cm; Width: 23 cm.

Edouard CAZAUX collaborated with the Compiègne Crystal Factory, directed by David GUERON, from 1928 to 1939. With his glass works, Edouard Cazaux also contributed to the decoration of the ocean liner Normandie.
