### Description

Gen Paul (1895 - 1975) Bouquet of Flowers  
Colored chalks on paper, signed lower left 42 x 30 cm 46 x 58 cm with frame Gen Paul, a French painter and engraver, energetically captured the urban and popular life of Paris. His expressive style is marked by vivid, even abstract, forms. His work notably conveys the movement and emotion of scenes in cafés, with musicians and dancers. His work exudes spontaneity and intensity. The artwork is on display in our gallery located in the Village Suisse, in Paris 15th arrondissement.
