Description

A set of five very fine watch cocks of varying diameters and styles, including one mounted as a brooch. 18th century. Please note: these cocks are in very good overall condition - traces of soldering are clearly visible on the one mounted as a brooch. A more thorough cleaning could be achieved. Please examine the photos carefully.

Dimensions: The one mounted as a brooch: total height: 3.3 cm - diameter: 2.2 cm. The widest one: width: 3.4 cm - height: 2.4 cm. The one with the amber-colored glass beading: at its highest point: 2.6 cm - diameter: 2.2 cm. The two smallest ones: at their widest point: 2.1 cm - diameters: 1.7 cm and 1.8 cm. Shipping costs within France (in a padded, tracked envelope) are EUR5, and EUR10 for the European Union. Please contact us for all other destinations. We
