

"the Place De La Concorde Under The Snow In Paris"

770 EUR

Signature : Wagner

Period : 20th century

Condition : Très bon état

Material : Oil painting

Width : 73

Height : 64

Description

Post-Impressionist painting of a view of the Place de la Concorde under snow, seen from the Tuileries Garden. The Hôtel de la Marine is recognizable in the background, and the Rue Royale in the center. Heavy traffic and numerous pedestrians enliven the scene. This canvas is beautifully presented in a carved wooden Montparnasse frame. Canvas dimensions: 46 x 55 cm
