Description

Very large piece of cotton decorated in Batik. This is an Indonesian artisanal dyeing technique using wax resist. Beautiful symmetrical design, blue on the front and gold on the back, featuring stylized animals, birds, and plants, bordered with floral and geometric friezes. Very good condition, a few small stains and holes clearly noted. Normal wax residue, all clearly visible in my detailed photos, please look at them carefully, I'm not hiding anything! Indonesian working, probably Javanese, dating from the second half of the 19th century. Dimensions: 2m x 54.5cm. SHIPPING CONDITIONS BELOW: Free shipping within France. European shipping and payment only, please send me a message. I no longer ship outside of Europe, and no payments outside of Europe either! Contact: Charles
