Description

Antique Foot Stool, Walnut, Hand-Knotted Worn Fabric, English Regency, Circa 1800-1820 This charming antique footstool features deep, warm tones in the walnut frame, with a desirable color and an attractive aged patina. The original hand-knotted upholstery, showing signs of gentle wear, adds to the character of the piece, maintaining its authentic Regency style. The footstool is in good order throughout, solid and stable, making it a wonderful addition to any collection or home with a taste for period furniture. Dimensions: 48 cm (L) x 43 cm (W) x 58 cm (H)
