NOTE: All our watches are inspected by our watchmakers and refurbished to give them a second life and restore them to the best possible condition. However, these watches remain pre-owned and may show some scratches or signs of wear. Furthermore, when necessary, the dials are restored by a master craftsman. It is also possible that the dials may have been replaced in the past with service dials as part of the refurbishment process. As our timepieces are pre-owned, we cannot provide a guarantee regarding water resistance. We are, of course, available to answer any questions you may have about the condition of these watches. RETURN POLICY: Due to numerous instances of abuse, we wish to clarify that returns are accepted within 14 days, provided the item is returned in the same condition in which it was sold. Please remember that you are purchasing a high-end watch, and we recommend that you take the utmost care of it.
