

3 Identical Stone Troughs

650 EUR

Period : 18th century

Condition : Parfait état

Material : Stone

Length : 100 cm

Width : 51 cm

Height : 31 cm

Description

Three magnificent, identical troughs made of Belgian bluestone, in perfect condition. The front is bush-hammered, while the other three sides are rough-hewn, as they were originally fitted together in a row. The price is for one trough, but it would be a shame to separate them, as they are truly magnificent and make a beautiful set. If you wish to purchase the lot, the price will be adjusted. Worldwide shipping available.
