Description

Rare and beautiful high-back armchair in natural wood, crafted entirely with moldings, cabriole legs, a slightly reclined back, upholstered in high-quality "crushed" raspberry-colored leather, studded, with a checkered canvas base. This chair is a rare model of a high-back nursing chair, therefore very comfortable. It is a Louis XV period piece from the 18th century, formerly lacquered, in very good condition with a lovely patina.
