Description

Superb candlestick with a conical base. Beautifully hammered copper, the top of the candlestick consists of a receptacle for the candle, separated from the bottom by a cylindrical platform. A fine piece of art and craft from its time, a beautiful item, rare to find! Excellent condition. I didn't think it necessary to highlight them in my photos, but there are a few traces of oxidation and minor deformations. Please look at them carefully; I'm not hiding anything! European working, dating from the Art Nouveau/Jugendstil period, circa 1890. Dimensions: 26cm H x 12cm Base diameter. SHIPPING CONDITIONS BELOW. Free shipping within France. For European shipping and payment, please send me a message. I no longer ship outside of Europe, and I do not accept
