### Description

COD 11534 Oriental furniture from the second half of the 20th century. A single-piece, non-detachable woven wood and rattan column, it features beautiful lines and a pleasing décor. Supported by four ebonized legs, it has a single door and an open compartment at the top, making it a very useful piece. The cabinet is finished for the center and adorned with a splendid wooden panel and a knob at the top (see photo). Its excellent proportions make it easy to place in various locations around the home and it is in good condition. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
