Description

This is likely an engraving mounted on fabric, dating from the 18th century, perhaps even earlier. It comprises 12 images of saints popular among the Christian population of the Balkans. Its purpose is a kind of phylactery--a sacred relic that could be acquired during a pilgrimage to a Christian temple. The work is in its original, untouched condition. We note tears in several places. Our photos allow you to appreciate the quality of the object. For condition details, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 129 cm Width: 10.5 cm M3202
