

Japanese Warrior With Two Swords - 20th Century

900 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Height : 38,5

Description

A bronze sculpture with two patinas depicting a standing Japanese warrior, proudly holding his two swords. The figure's hieratic pose, combined with the precise modeling of the face and drapery, evokes the spirit of the samurai, embodying discipline, honor, and power. The subtle contrast of the patinas--deep brown for the body and gilt highlights on the belt and weapons--gives the work a striking visual presence and emphasizes the sculptural details. Resting on a quadrangular base, this decorative sculpture demonstrates 20th-century craftsmanship inspired by traditional Japanese aesthetics. Dimensions: Height: 38.5 cm. A distinctive piece, ideal for lovers of Asian art or figurative sculpture. Excellent condition. Exchanges or buybacks of your artworks are possible. Contact us for international shipping.
