### Description

A stunning drum-shaped chandelier attributed to the prestigious Baccarat company, a symbol of French craftsmanship in exceptional crystal. This model is distinguished by its cylindrical metal structure with a gold or brushed brass finish, accentuated by a dense cascade of crystal stems ending in spherical drops. The overall effect is refined and luminous, evoking rain frozen in time, an aesthetic signature that is both modern and timeless. The crystal, of exceptional purity, elegantly captures and diffuses light, producing subtle reflections and a warm ambiance. The vertical composition of the elements brings lightness and movement, contrasting harmoniously with the geometric rigor of the drum. With its generous proportions (110 cm in height), this chandelier is an ideal centerpiece for
