

Bedsread, Quilt, Boutis, From Mulhouse In Cotton - 19th Century

750 EUR

Period : 19th century

Condition : Très bon état

Material : Linen

Length : 200 cm

Width : 140 cm

Description

Cover of Mulhouse in cotton from the 19th century, with generous dimensions, corresponding to a bed of 140 cm, with 80 cm falling on each side (outside headboard). The decoration, particularly refined, presents a rich pattern of mascarons and characters of the nobility, finely printed on a deep red background with elegant arabesques. The central composition framed with ornaments gives this piece a remarkable decorative and historical character. Exterior : in perfect condition, without stains or holes Interior: brown striped cotton lining, showing rust spots Tip : a wash is to be expected Fabric : old cotton solid and healthy Authentic old textile of the 19th century, typical of Mulhouse productions, sought after for the quality of its printing and the richness of its
