

Pair Of Sleeper Earrings, Pearls, Late 19th Century

840 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Length : 2cm longueur totale

Diameter : 1,5 cm

Description

Pair of sleeper earrings, Napoleon III period, French work. Round sleeper earrings, each centered with a half-pearl, likely a fine one, within a niello arabesque design (minor losses). The setting is 18-karat yellow gold (750/1000), hallmarked with a horned eagle's head and the maker's mark AN. The earrings fasten at the back with a flap closure. Gross weight: 3 g. Diameter of motif: 1.5 cm. Length: 2 cm. This pair of antique earrings is in excellent condition and can be worn as you wish. Free shipping within France, with declared value and insurance, and an invoice will be sent by email.
