Description

This beautiful grained leather case, enhanced with gold trim, is lined with purple velvet. Marked inside the flap: Surgical Instruments, Maison L. MATHIEU R&H MATHIEU Fils Scs, 113 Bavard Saint Germain, PARIS. It is quite complete, containing: 5 hallmarked curved silver probes, 4 steel forceps, one marked Galante, 1 grooved steel probe, 1 universal trocar with an ebonite handle marked Mathieu, 5 curved folding scalpels and needles with locking mechanisms in tortoiseshell handles, 2 steel scissors, an ebonite silver nitrate holder, and 2 long, thin silver-plated instruments. Inside the pockets: 2 tortoiseshell and steel bloodletting lancets, 2 sets of burnished steel curved needles, 1 skein of cord, and a roll of fine silver-plated wire. The white metal clasp is perfectly functional. Wear and oxidation are
