Description

Émile Bernard (1868-1941) - Landscape with Garden and House - Ink and Wash Drawing. Charming ink and brown wash drawing depicting a house nestled in dense vegetation, accessible by a garden staircase. The composition, very free and simplified, plays on masses of shadow and foliage to structure the space and suggest depth. The rapid and energetic execution, made up of calligraphic strokes and broad washes, evokes the landscape studies done en plein air by Émile Bernard, a major figure of Post-Impressionism and a contemporary of Paul Gauguin and Vincent van Gogh. This sheet clearly illustrates the artist's interest in intimate landscapes and rural scenes, treated with great graphic freedom. 56 x 46 cm with frame 39 x 30 cm without frame
