Description

Description: An elegant pair of 19th-century French bronze vases, finely chased with scenes inspired by Greek mythology. Their classical form and rich decoration testify to the strong influence of Antiquity on French decorative arts of the period. The vases are adorned with carefully modeled mythological figures in relief, creating a remarkable sculptural and decorative effect. They embody the refined Neoclassical taste that remained very fashionable in France throughout the 19th century. Ideal for display on a mantelpiece, console table, or in a classical art display case. Dimensions (each vase): Height: 27 cm Width: 15 cm Depth: 15 cm Condition: Very good condition. Minor signs of wear consistent with age. Patina and relief decoration well preserved
