

Bronze Tripod Incense Burner, Vietnam, Circa 1900

600 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Description

A bronze tripod incense burner with a brown patina, resting on three feet. The decoration is divided into two parts: - a lower section, finely incised and inlaid, depicting figures, animated scenes, and symbolic motifs; - an upper section adorned with a frieze in low relief with an archaic style, inspired by Chinese ritual bronzes (stylized taotie-type masks and geometric patterns).

Upright side handles, open lid. Vietnamese work from the early 20th century, colonial period.

Beautiful antique patina, wear consistent with age. Height: 24 cm.
