Description

A beautiful Paris porcelain cup from the Empire/Restoration period, early 19th century, circa 1820. It features a rich and beautiful decoration of garlands of gold flowers and naturalistic orange peppers against a white background enhanced with gold trim. This cup is the work of a prestigious Parisian manufacturer; unfortunately, the lack of a signature prevents us from definitively identifying the manufacturer. A fine collector's item, it is in very good condition; no damage or wear to the gilding. Saucer diameter: 13 cm. Cup diameter: 6.2 cm. Cup height: 6.2 cm.
