600 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Other

Description

Quick Description: Set of two antique hair frames, a funerary keepsake dating from around 1880. They come from the same family and were likely made by the same person; very fine work. The pieces have been perfectly restored and reinforced with the addition of custom-made frames. In excellent condition, a very original set. **Dimensions:** The larger one measures 29 x 27 cm, the smaller one 26 x 25 cm with a depth of 4 cm. **Price:** EUR600.
