Description

Superb Longwy enamel vase, with a deep cobalt blue background, richly decorated on its four sides. Two sides have superb medallions with polychrome floral decoration, finely executed, highlighting brightly coloured bouquets. The other two sides are decorated with remarkable elephant heads in relief, enamelled in golden tones with a slight cracked effect, each holding a ring, bringing an original and decorative touch to the whole. The flared collar is underlined by stylised friezes with golden accents, typical of Longwy craftsmanship, reinforcing the elegance of the room. Very good quality of execution, with a brightness and depth of enamel characteristic of this manufacture. Very good general condition. To note: presence of a slight hair inside, without gravity and not altering either the solidity or
