

## Walnut Kneeler

1 600 EUR

Period : 18th century

Condition : Bon état

Material : Walnut

### Description

Extremely rare walnut kneeler, 18th century. The piece features rich painted decoration on a dark background, with floral motifs, stylized plant elements, and pyrographed landscapes. The upper front features a series of painted panels framed by moldings, with an elegant ornate cartouche at the center, flanked by lateral reserves with foliage. The upper and lower sections are hinged, while the front features a small door with a shelf inside.
