

## Large Japanese-style Bronze Planter Decorated With A Lakeside Landscape

400 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Diameter : 43

Height : 17

### Description

Large circular bronze jardinière from the late 19th century, in the Japonisme style. It is decorated with a finely chiseled scene depicting a lively lakeside landscape, complete with a pagoda, boats, and stylized mountain relief. The simple and elegant side handles blend harmoniously into the overall design. Beautiful antique patina.

Overall in good condition with consistent signs of use. There are holes in the bottom, consistent with its use as a jardinière. Dimensions:

Diameter: 43 cm Height: 17 cm
