Signature : Prosper Lecourtier (1855-1924)

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 60

Height : 63

Depth : 34

Description

This bronze sculpture by Prosper Lecourtier depicts two hunting dogs in an alert and dynamic pose. The front dog stands tense with a raised paw and focused gaze, while the second suggests movement and cooperation. The anatomy is rendered with realism and strength, showing great attention to detail and musculature.

The naturalistic base and warm patina enhance the sense of action and realism.
