

## Silver Madonna And Child, Spanish Colonial Style, 19th Century

1 250 EUR

Period : 18th century

Condition : Très bon état

Material : Sterling silver

Diameter : 13cm

Height : 19cm

### Description

This fabulous silver Madonna and Child was probably made in Peru in the late 18th or early 19th century. It is presented in a flat-bottomed bowl, itself set on a round base on a long base decorated and adorned with two bells. The Virgin and Child are solid cast, with an aureole behind their heads. Its weight is 625 grams.
