### Description

CERAMICS / FOLK ART Workshops of MONTELLUPO, Tuscany, Italy, 17th century  
Plate or small dish in MONTELLUPO earthenware, typical for its bright yellow background adorned in the back and for its amusing and naïve decoration of a walking soldier hanging a multicolored standard fluttering in the wind, still characteristic of Montelupo decorations from this period. Good condition, without any restoration and despite 2 slight edge split at 8 and 9 o'clock as well as enamel skips on the edge visible only on the reverse (please check photos). Dimensions: approximately 21 cm diameter. This dish is part of a series of 4 similar pieces from the same collection that will be put up for sale in the coming days on my Proantic account. Possible
