### Description

This charming Directoire-period games table is sober, elegant and practical, and can be used as a side console in a spare room; in a central room at the end of a sofa, it can occasionally be unfolded to play games or take tea. This pretty blond cherrywood piece of furniture has everything to seduce, with its checkerboard top in lemon and mahogany as a framed chessboard, a clean, functional green felt mat and a boxed underside for storing pawns and cards.... Coated with a honey-colored satin varnish, this side table is elegant, sound and in good original condition, and offers multiple possibilities. Decorative and classic at the same time, this piece of furniture has everything to seduce, including the price...
